AXCESS GROWTH INNOVATION & LEADERSHIP EXPERIENCE

Disclosures for Continuing Education Credits

- Participants of this session will receive **1** continuing nursing education credit.
- To receive credit, you must be registered as a participant, sign in **at the beginning**, and attend the entire session.
- Access the Axxess Training and Certification Program platform to complete a short survey **at the end** of each session to obtain CNE certificate.

Conflict of Interest Statement

- A conflict of interest occurs when an individual has an opportunity to affect educational content about healthcare products or services of a commercial company with which they have a financial relationship. The session planners and presenters do not have any relevant financial relationship to disclose.
- Axxess is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.
- Axxess is approved by the California Board of Registered Nursing, Provider Number CEP 16092.

Objectives

Attendees will be able to:

- Describe palliative care.
- List three tools used to effectively plan a patient's transition from palliative care.
- List three ways to effectively prepare the patient and their loved ones for the transition from palliative care and hospice.
- Apply three ways to support themselves and others when a patient becomes hospice appropriate.

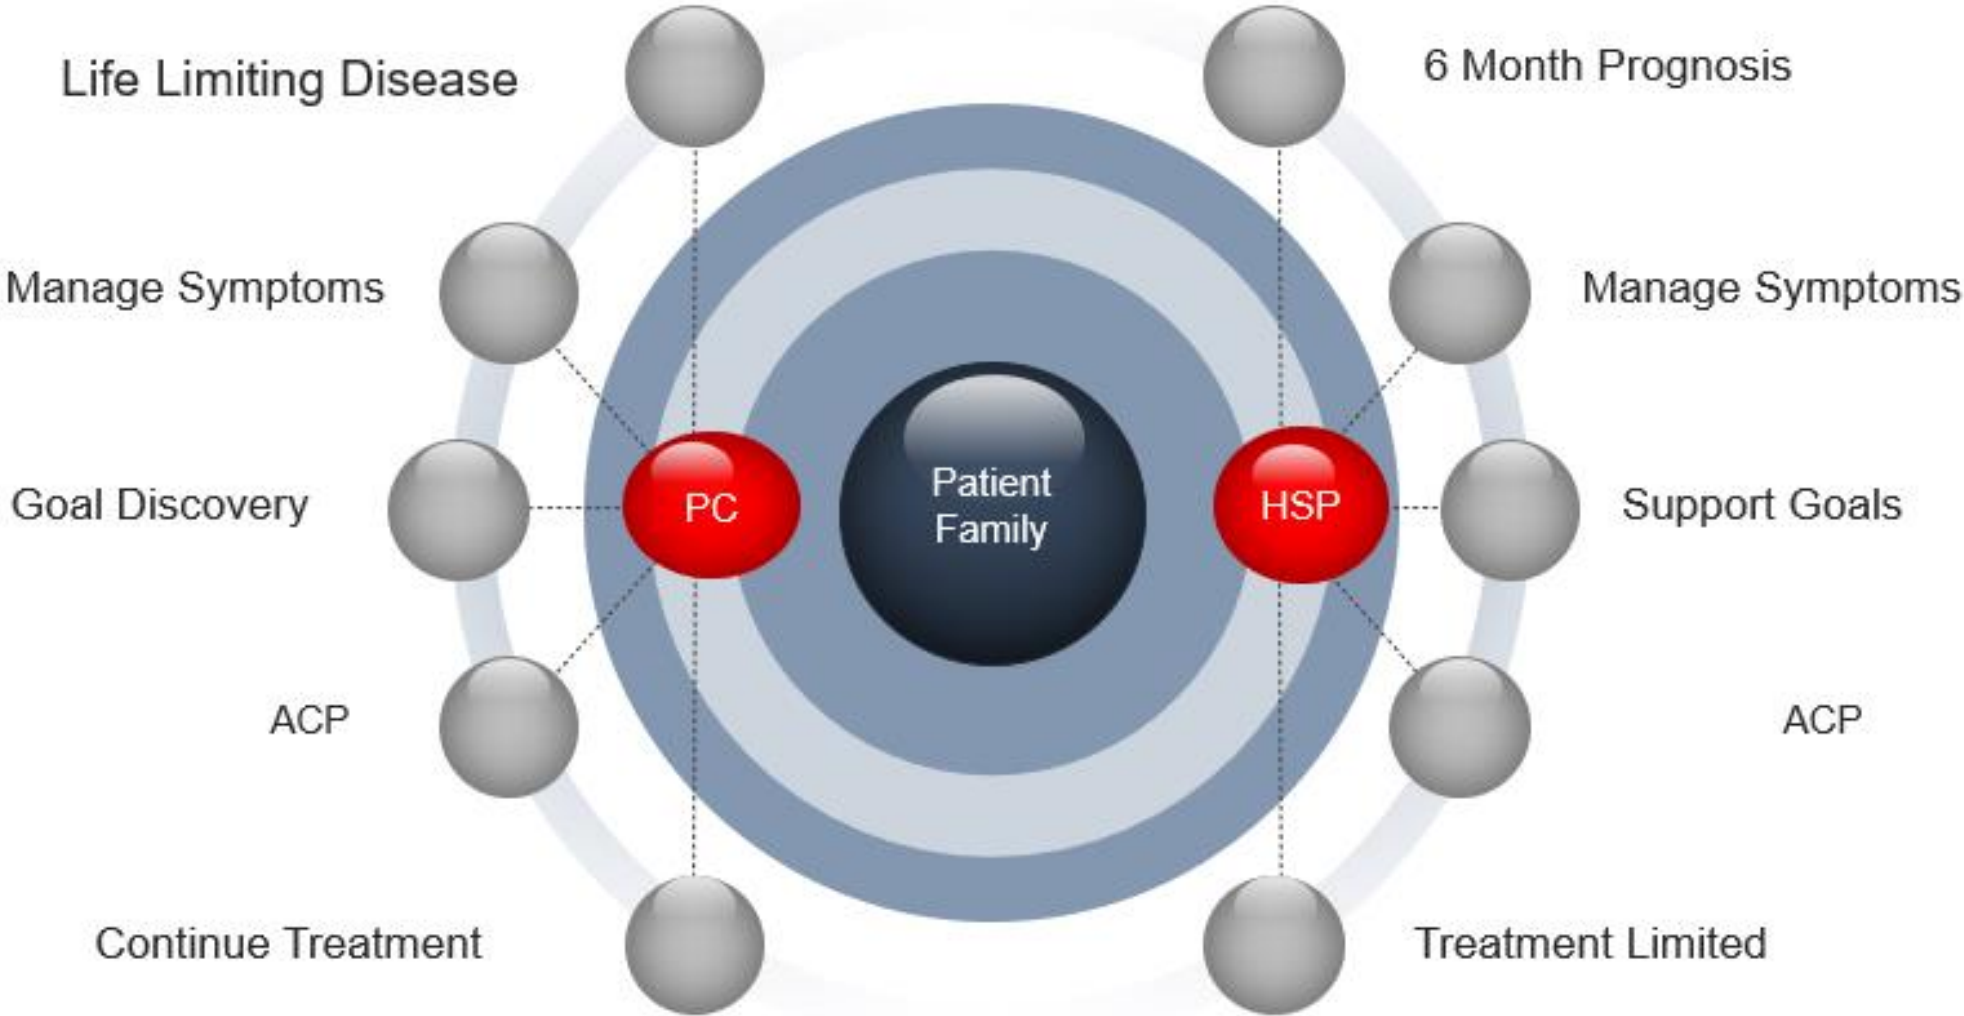

What is Palliative Care?

pal●li●a●tive

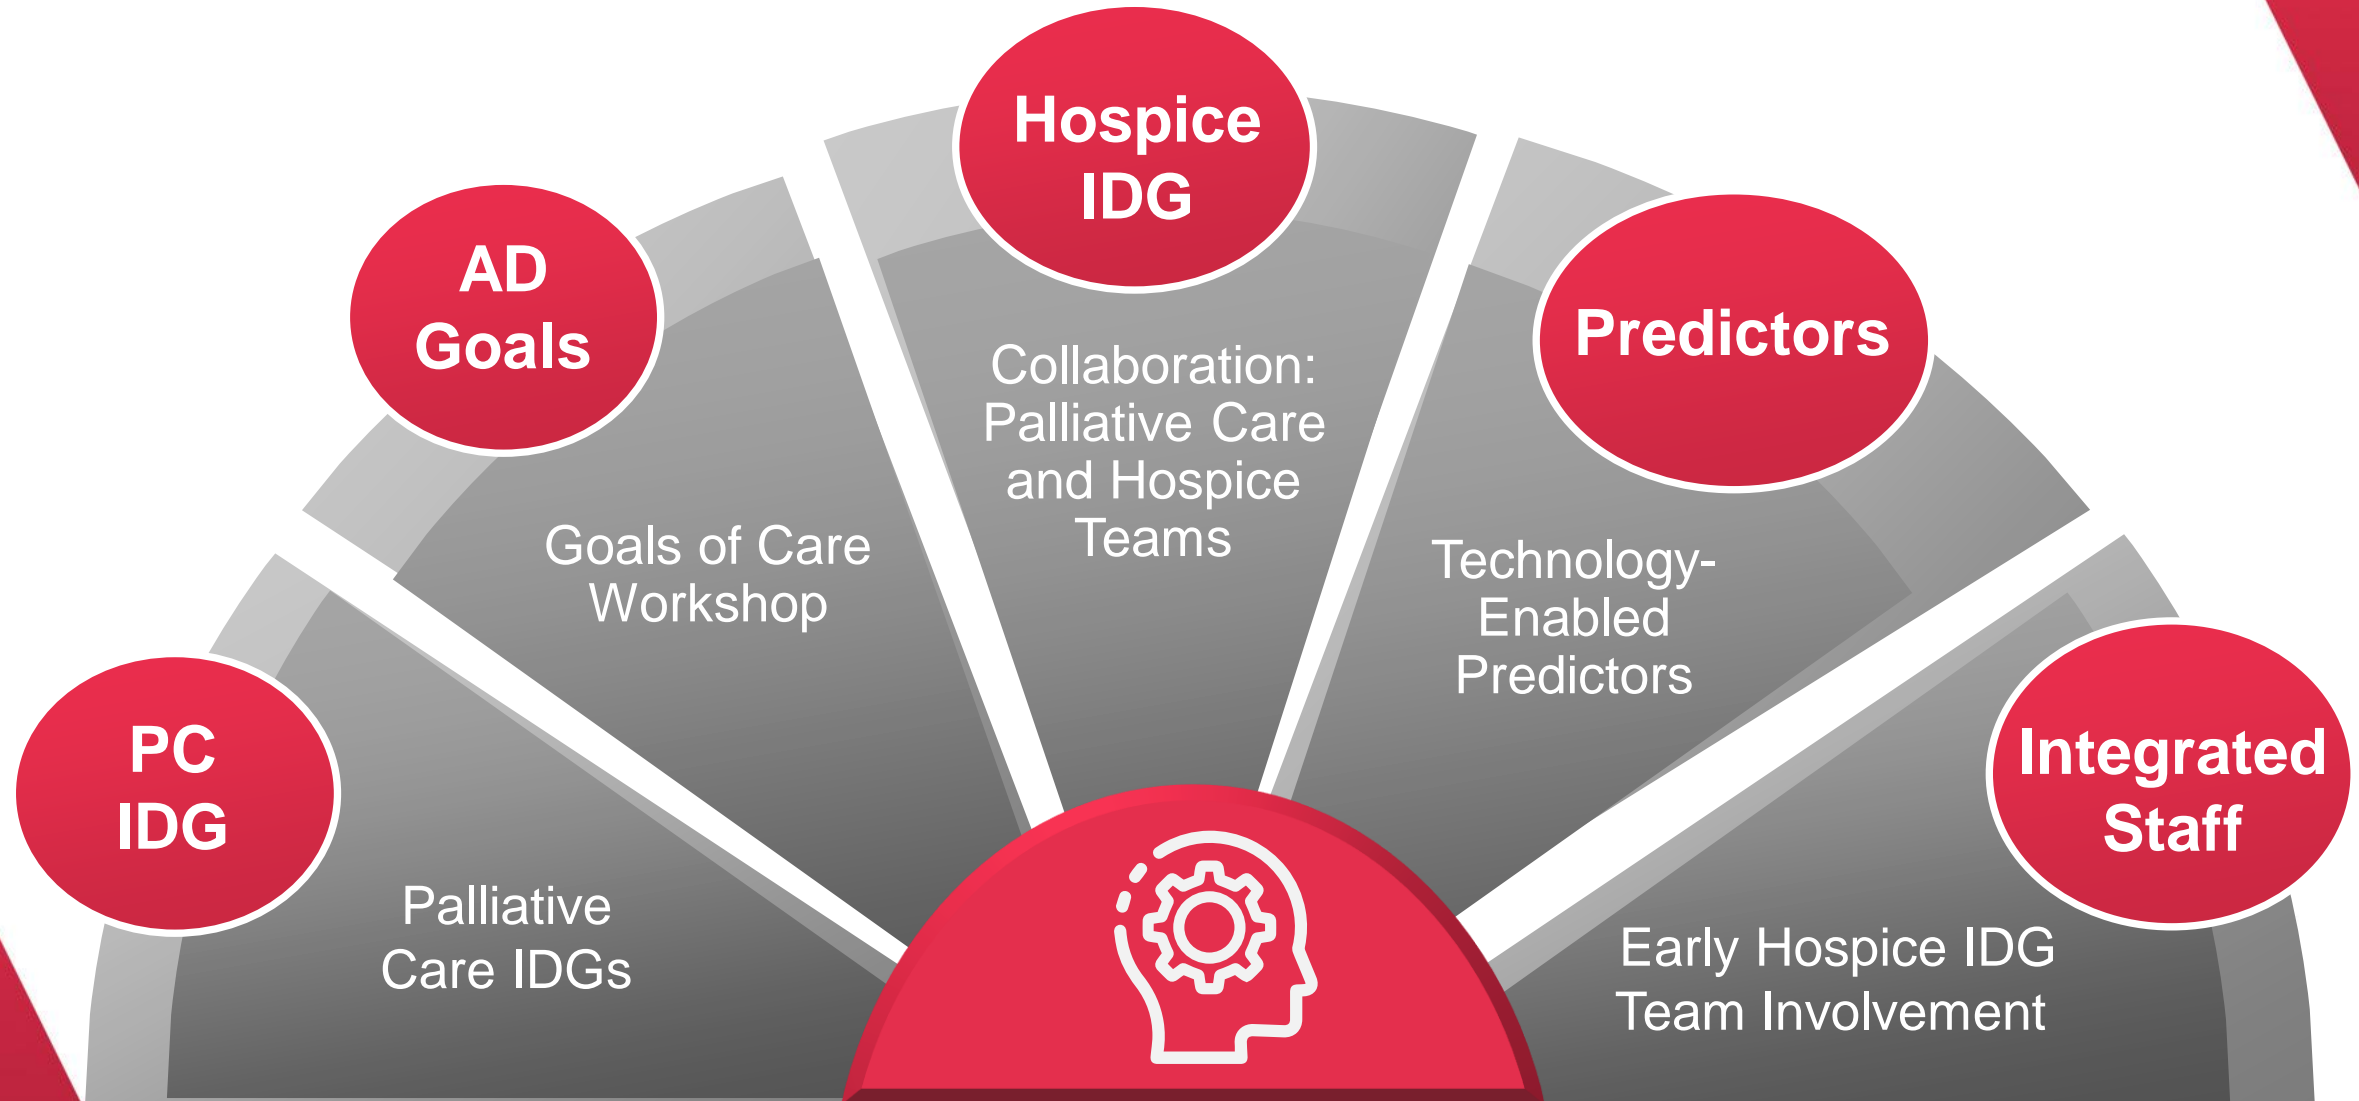

noun and adjective

- Interdisciplinary
- Goals of care conversations
- Symptom management

Palliative Care vs. Hospice

Orchestrating a Seamless Transition

Easing the Transition
