Disclosures for Continuing Education Credits

- Participants of this session will receive **1** continuing nursing education credit.
- To receive credit, you must be registered as a participant, sign in **at the beginning**, and attend the entire session.
- Access the Axxess Training and Certification Program platform to complete a short survey **at the end** of each session to obtain CNE certificate.

Conflict of Interest Statement

- A conflict of interest occurs when an individual has an opportunity to affect educational content about healthcare products or services of a commercial company with which they have a financial relationship. The session planners and presenters do not have any relevant financial relationship to disclose.
- Axxess is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.
- Axxess is approved by the California Board of Registered Nursing, Provider Number CEP 16092.

Objectives

At the end of this session, participants will be able to:

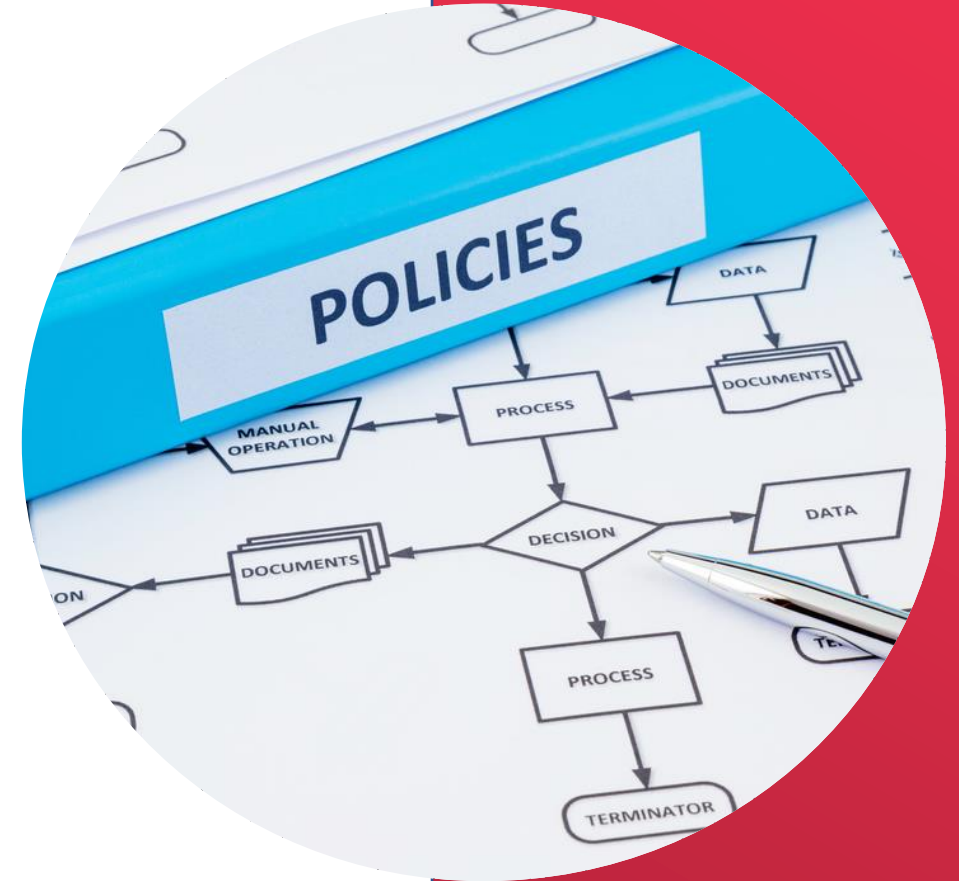

- Describe three regulatory requirements for the hospice plan of care
- List five ways to improve the hospice plan of care and care planning process
- Identify and apply three ways that technology supports compliance and quality care planning

Plan of Care Compliance Trends

- Individualized plan of care
- Hospice aide services
- Registered nurse (RN) designation
- Bereavement
